

BENEFITS

Alcohol & Substance Use Support

Learn About Support

Health First Colorado (Colorado's Medicaid Program) members can receive help if they have an alcohol or substance use concern.

To get started members can talk to their Primary Care Medical Provider (PCMP), care coordinator, or other health care provider.

There are no co-pays for treatment services offered through the Health First Colorado plan. Some treatment options must have prior authorization. To learn more about the benefits go to, healthfirstcolorado.com/benefits-services.

If you need help with the information in this document, including written/ oral translation; or in a different format like large print or as an audio file, we can help you at no cost. Call NHP at 800-541-6870 or State Relay 711 for callers with speech or hearing disabilities.

Treatment Services

It's important to work with a provider to determine the type of care needed.

- Outpatient Care: Weekly meetings with specialist providers
- Intensive Outpatient Program: Weekly program which combines individual, group, withdrawal support and health ed services
- Medication Assisted Treatment (MAT): Group and individual therapy with medication support
- Social Detox: Non-medical withdrawal management intervention
- Residential: Staying in a structured setting with on demand care
- Inpatient: Staying in a structured setting providing withdrawal support
- Telehealth: Virtual services for outpatient or Intensive Outpatient Treatment

Call care coordination for help today.

CARE COORDINATION

Care coordination is free and can be used to help make appointments, get medications filled or set up transportation for your outpatient appointments. Call 888-502-4190 to connect with a care coordinator.
