

Northeast Health Partners

Northeast Health Partners (NHP) is the Regional Accountable Entity (RAE) responsible for improving the health and wellness of our community members in the Northeast region of the state (Region 2). Our mission is to provide a comprehensive health plan that integrates physical and behavioral health care in a way that improves the the quality of life for members by ensuring they are connected to health care supports every step of the way. We proudly serve the following counties: Cheyenne, Kit Carson, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Weld & Yuma.

Want to host a NHP Lunch & Learn?

Join us for an informative presentation on NHP and the services we offer. We'll provide lunch and answer any questions you may have. Just provide the space and let us take care of the rest!

Reply to this email for additional information or scheduling.

NHP Staff Highlight: Meet Our Chief Information Officer

Wayne Watkins, Chief Information Officer

Wayne is from Colorado Springs and has been working in the IT healthcare system for 26 years. His career started in Voice and Data Communications, Network Security and then moved into managing IT teams. He currently oversees all IT infrastructure for Northeast Health Partners. Wayne's passion is to utilize data and systems to improve operations that contribute to enhancing the health and wellbeing of members. Wayne likes to spend time with family. He also enjoys being outdoors walking, hiking, mountain biking, doing

Functional Strength Training, and testing his endurance at Spartan Races.

Fun Fact: Wayne was a Krav Maga instructor (Israeli martial arts) for 7 years.
