NHP Staff Highlight: Meet Our Project Manager

Jennefer Rolf

Jennefer has lived in Denver since 2020 but is no stranger to Colorado. Having been raised in Southeast Wyoming, Jennefer spent her time growing up along the Front Range and has seen the

immense growth in the area over the past decade. Jennefer has a bachelor's degree from the University of Wyoming and has been with NHP since 2023. Her career spans over 25 years in the healthcare industry. She is passionate for ensuring healthcare access in rural communities. Jennefer's pride and joy are her two grown daughters; one is a Special Education teacher in Wyoming and one is a Sophomore at the Colorado School of Mines. She enjoys being outside, whether it is spending time in city parks, exploring the mountains, or watching sunrises over the eastern plains. She loves exercising and jogging in the mornings and looks forward to spending time with her family and friends.

Fun Fact: Jennefer likes to cook but rarely follows a recipe, she can literally make a great meal out of whatever is on hand and has been told she can make something delicious out of nothing!
