About this Directory

The information in this directory is for Health First Colorado Members who belong to NHP's regional organization. It lists primary care and behavioral health providers who work with NHP*. It also gives important information that helps you better understand how you can get health care services. In addition to the providers listed in this directory, Health First Colorado Members can get services from participating Health First Colorado physical health and dental care providers through DentaQuest. Some transportation services are also available. Call Member Services if you need help finding a health care provider or services you need.

In this directory, unless noted, all providers accept new patients.

Being enrolled in NHP's regional organization does not mean you will be sure to get services by a certain provider on this list. Call the provider's office first and ask if he or she is taking new Health First Colorado Members. This information is only a summary of the way you get benefits through NHP. This is not a contract.

How to find a provider

You can find a provider using this directory. You can also use our Online Provider Directory. It will have the most current provider network information. Visit **UHCCommunityPlan.com**, then select **Find a Provider**. Choose Medicaid Regional Organization – RAE Region 1 & 2, select your location, and search for a provider.

Reporting incorrect information

To report incorrect information, email **provider_directory_invalid_issues@uhc.com**.

To report incorrect information for primary care providers, email **nhpmembersupport@nhpllc.org**. This email is for members to report potential inaccuracies for demographic (address, phone, etc.) data elements identified on the online or paper directories. Reporting issues via this email will result in an outreach to the provider's office to verify all directory demographic data.

Individuals can also report potential inaccuracies via phone. UnitedHealthcare Community Plan members should call the number on the back of their member ID card. Non-UnitedHealthcare Community Plan members can call **1-888-638-6613**.

Providers should go to **UHCprovider.com/portal** to use the My Practice Profile tool in the UnitedHealthcare Provider Portal under the Practice Management drop-down. Contractual issues should be addressed through your UnitedHealthcare Network contact at **UHCprovider.com/contactus**.

* NHP works to maintain and print correct information, but the information can change at any time. We add providers to this list at different times. NHP is not responsible for incorrect information or names left out of this directory. The information in this directory is accurate as of the date printed on the cover.

How to get care

There are different options to get the care you need based on your situation.

Unless noted, all providers have regular office hours (M–F, 8 a.m.–5 p.m.) and accept new patients. All providers are proficient in English unless otherwise noted.

Primary Care Providers

Your **Primary Care Provider**, also called a PCP, is the provider you should see for most of your care, like checkups, treatments, vaccinations, minor injuries, and other health concerns. PCPs can include family practitioners, internal medicine providers, or pediatricians. Call your PCP first, even after hours.

Important tip: Annual checkups are important for good health. Make an appointment with your PCP if you have not had a visit in the past year.

Your PCP is your medical home. Having this medical home can help you get healthy, stay healthy, and get the care you need when you are sick. Medical homes are important to:

- Know you, care for you, and keep your medical records together
- Help you maintain overall health by providing preventive care, which can detect health problems early
- Help you get care from specialists when you need it
- Treat you as a whole person instead of focusing on a particular illness or injury
- Help you achieve the health goals you set for yourself
- Help you control ongoing health conditions, like diabetes
- Help you navigate the health care system

Your PCP can also examine your child and provide screenings covered by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) benefit. If your child or teen is 20 years old or younger and part of NHP's regional organization, they are part of the EPSDT program. This program helps make sure that your child or teen receives the appropriate preventive, dental, mental health, developmental, and specialty services.

It's important to keep scheduled appointments or let your PCP know you need to reschedule. You should also let your PCP know how they can improve.

- If you have a PCP or medical provider, look to see that the clinic or provider is included in this directory
- If you do not have a PCP or medical provider, use this list to choose a PCP for you and all members of your family. Each person in your family may pick a different PCP.
- You can change your PCP at any time by contacting the Health First Colorado enrollment broker at 1-888-367-6557. If you change, be sure to make sure your new PCP is on this list.
- If you need help with your health care now, you can call NHP. We work with providers and people in your community who can help.

Behavioral health care

Behavioral health is an important part of your overall health. If you have changes in your mood or behavior, or if your alcohol or drug use is impacting your life, you may want to talk to a provider. NHP can help you understand your behavioral health benefits and find a provider that can help you. Call Member Services at **1-800-541-6870** for help with mental health services or services to treat a substance use disorder.

Crisis help

If you're struggling or someone you love is hurting and you need to get help right away, call or text 988 or Colorado Crisis Services at 1-844-493-TALK (8255) or text TALK to 38255. Coloradans can get free, confidential, and immediate help 24 hours a day, seven (7) days a week, 365 days a year from 988 or Colorado Crisis Services. You can also get online support at **988Colorado.com**.

Urgent care

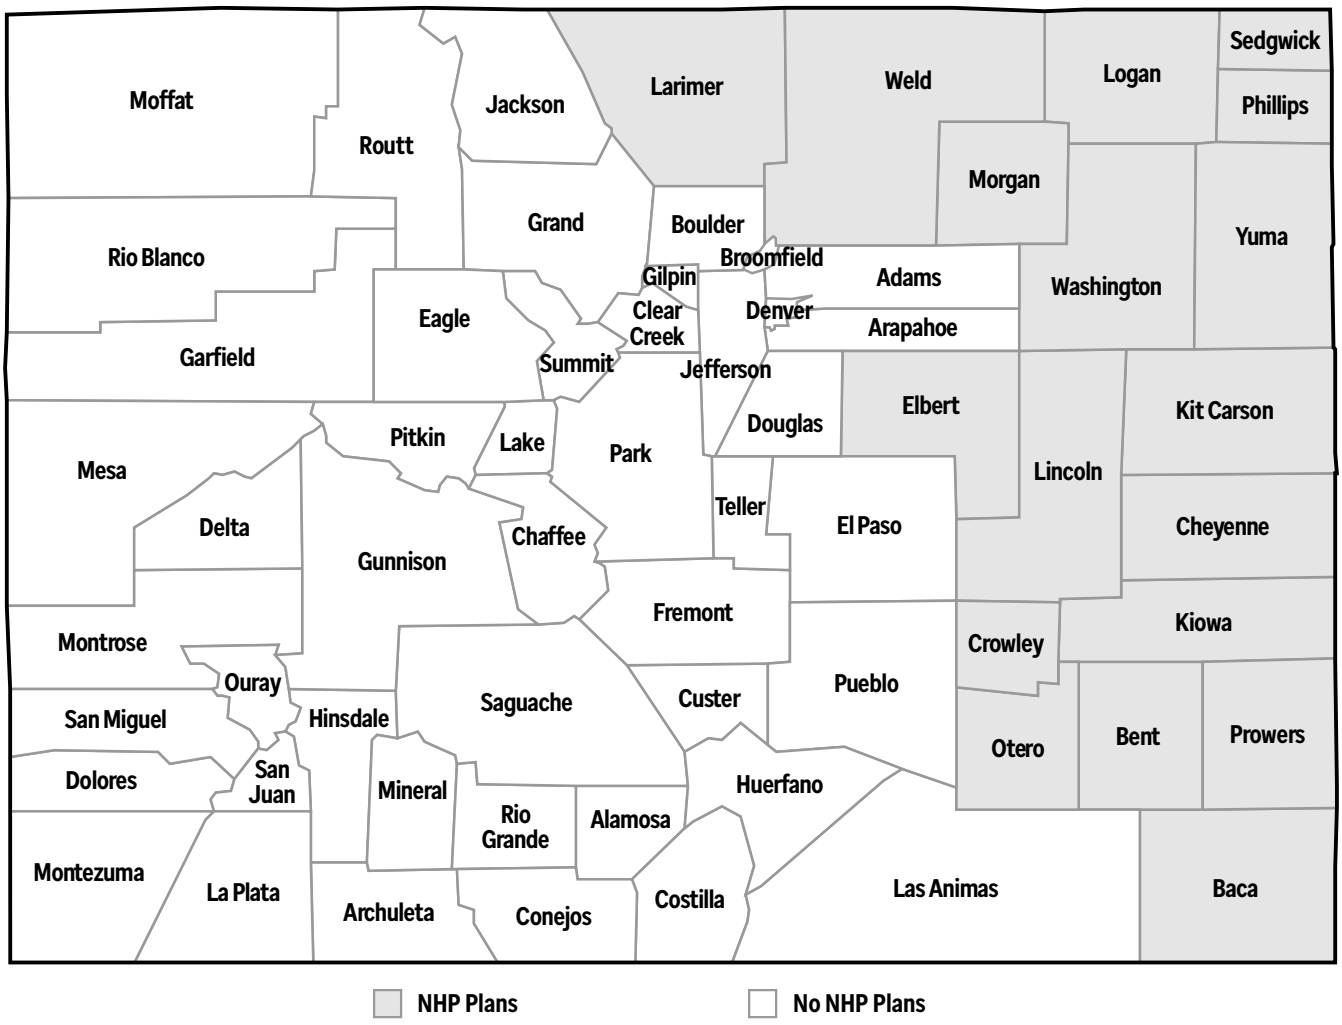
Urgent care is not the same as emergency care. It is for non-emergent but serious illness or injuries that need medical care. These can include fevers, flu symptoms, minor cuts, or minor burns. **If you need urgent care, call your PCP's office, even after normal business hours**, and follow their instructions. This includes weekends and holidays. Even if your PCP is not there, a provider will call you back to tell you how to get care.

Emergency care

Go to the **Emergency Room** if your condition is life threatening or your provider tells you to go. You should go to the Emergency Room for chest pain, trouble breathing, severe allergic reactions, loss of consciousness, sudden vision changes, severe bleeding, or if you think your condition may endanger the life of your unborn child.

If you have an emergency, call 911 or the local emergency phone number. Tell the Emergency Room staff that you are a Member of NHP's regional organization, and call your PCP as soon as you can.

Did you know? It is very expensive to get care in an emergency room. If your condition is serious but not an emergency, many providers will take care of you in their offices after hours or even on weekends. Providers who care for NHP Members are on call day and night, every day, for emergencies. In many areas, hospitals have rooms or urgent care centers where your provider can treat you. These are less costly than going to the emergency room. You may have to pay a copay if you go to the emergency room when you do not have a true emergency.



If you are temporarily out of the state but still a resident of Colorado, you may receive some Health First Colorado benefits under certain conditions:

1. It is a medical emergency.
2. Your health would be endangered if you were required to return to Colorado for the medical care/treatment.
3. The health care provider that treats you must enroll in the Health First Colorado program.

Acerca de este Directorio

La información en este Directorio es para los miembros de Health First Colorado que pertenecen a la organización regional de NHP. Enumera a los proveedores de salud del comportamiento y de cuidado primario que trabajan con NHP.* También ofrece información importante que le ayuda a comprender mejor cómo puede recibir servicios de cuidado de la salud. Además de los proveedores que aparecen en este directorio, los miembros de Health First Colorado pueden recibir servicios de los proveedores participantes de cuidado dental y de salud física de Health First Colorado a través de DentaQuest. También hay disponibles algunos servicios de transporte. Llame al Servicios para Miembros si necesita ayuda para encontrar un proveedor o servicios de cuidado de la salud que necesita.

En este Directorio, a menos que se indique lo contrario, todos los proveedores aceptan nuevos pacientes.

Estar inscrito en la organización regional de NHP no significa que se le garantiza que recibirá servicios de un proveedor determinado de esta lista. Llame al consultorio del proveedor primero y pregunte si está tomando nuevos miembros de Health First Colorado. Esta información es solo un resumen de la forma en que recibe beneficios a través de NHP. Esto no es un contrato.

Cómo encontrar un proveedor

Puede encontrar un proveedor usando este Directorio. También puede usar nuestro Directorio de Proveedores en Internet. Este tendrá la información más actualizada de la red de proveedores. Visite **UHCCommunityPlan.com** y seleccione **Find a Provider** (Buscar un proveedor). Elija la Organización Regional de Medicaid – Entidad Regional Responsable (Regional Accountable Entity, RAE) para la Región 1 y 2, elija su ubicación y busque un proveedor.

Cómo recibir cuidado

Hay diferentes opciones para recibir el cuidado que usted necesita según su situación.

A menos que este anotado, todos los proveedores tienen horas de oficina normales (M–F, 8 a.m.–5 p.m.) y aceptan pacientes nuevos. Todos los proveedores son expertos en inglés a menos que se indique lo contrario.

Proveedores de cuidado primario

Su **proveedor de cuidado primario**, también llamado PCP, es el proveedor al que debe consultar por la mayor parte de su cuidado, como exámenes médicos, tratamientos, vacunas, lesiones menores y otros problemas de salud. Los proveedores de cuidado primario pueden incluir médicos de familia, proveedores de medicina interna o pediatras. Llame primero a su proveedor de cuidado primario, incluso después del horario de atención.

Consejo importante: Los exámenes médicos anuales son importantes para tener una buena salud. Haga una cita con su proveedor de cuidado primario si no ha realizado una visita en el último año.

Su proveedor de cuidado primario es su hogar médico. Tener este hogar médico puede ayudarle a estar saludable, mantenerse sano y recibir el cuidado que necesita cuando está enfermo. Los hogares médicos son importantes para:

- Conocerlo, cuidarlo y reunir sus registros médicos
- Ayudarle a mantener su salud general brindándole cuidado preventivo, lo que puede detectar problemas de salud de manera temprana
- Ayudarle a obtener cuidado de especialistas en el momento en que lo necesite
- Tratarlo como una persona en su totalidad, es decir, no enfocándose en una enfermedad o lesión en particular
- Ayudarle a lograr los objetivos de salud que usted se ha fijado
- Ayudarle a controlar condiciones de salud crónicas como la diabetes
- Ayudarle a explorar el sistema de cuidado de la salud

Su proveedor de cuidado primario también puede examinar a su hijo e indicarle los exámenes de detección que están cubiertos por el beneficio del programa de Detección, Diagnóstico y Tratamiento Periódicos y Tempranos (Early and Periodic Screening, Diagnosis and Treatment, EPSDT). Si su hijo tiene 20 años o menos y es parte de la organización regional de NHP, entonces es parte del programa EPSDT. Este programa ayuda a asegurarse de que su hijo reciba servicios preventivos, dentales, especializados, de salud mental y del desarrollo adecuados.

Es importante mantener las citas programadas o avisar a su proveedor de cuidado primario si necesita reprogramarla. También debe decirle a su proveedor de cuidado primario cómo puede mejorar.

- Si tiene un proveedor de cuidado primario o proveedor médico, verifique que la clínica o el proveedor figuren en este Directorio
- Si no tiene un proveedor de cuidado primario ni proveedor médico, use esta lista para escoger un proveedor de cuidado primario para usted y todos los miembros de su familia. Cada miembro de su familia puede elegir un proveedor de cuidado primario distinto.
- Usted puede cambiar de proveedor de cuidado primario en cualquier momento; para ello, debe comunicarse con el agente de ventas de Health First Colorado al 1-888-367-6557. Si cambia, asegúrese de que su nuevo proveedor de cuidado primario esté en esta lista.
- Si necesita ayuda ahora con su cuidado de la salud, puede llamar a NHP. Trabajamos con proveedores y personas de su comunidad que pueden ser de ayuda.

Cuidado de salud del comportamiento

La **salud del comportamiento** es una parte importante de su salud general. Si tiene cambios en su estado de ánimo o comportamiento, o si el consumo de alcohol o drogas está teniendo un impacto en su vida, le recomendamos que hable con un proveedor. NHP puede ayudarle a comprender sus beneficios de salud del comportamiento y a encontrar un proveedor que pueda brindarle ayuda. Llame al Servicios para Miembros al **1-800-541-6870** para obtener ayuda con servicios de salud mental o servicios para tratar un trastorno por consumo de sustancias.

Ayuda para crisis

Si tiene problemas o si un ser querido está sufriendo y necesita ayuda de inmediato, llame o envíe un mensaje de texto al 988 o a los Servicios para Crisis de Colorado al 1-844-493-TALK (8255) o envíe TALK por mensaje de texto al 38255. Los habitantes de Colorado pueden recibir ayuda gratuita, confidencial e inmediata las 24 horas del día, los siete (7) días de la semana, los 365 días del año, si se comunican con el 988 o con los Servicios para Crisis de Colorado. Usted también puede recibir apoyo en Internet en **988Colorado.com**.

Cuidado de urgencia

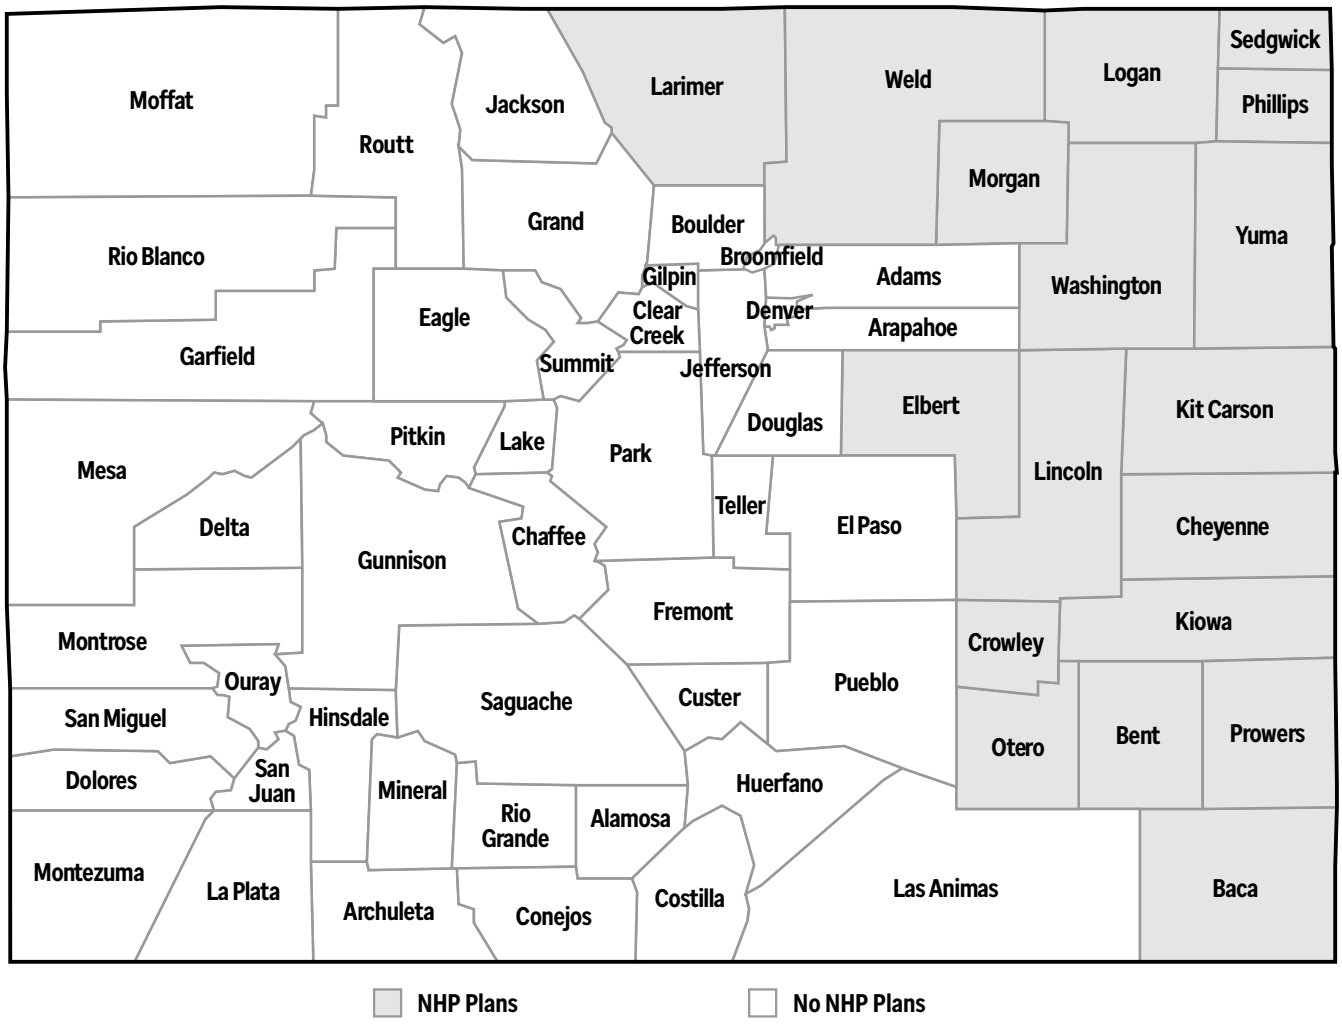
El **cuidado de urgencia** no es lo mismo que el cuidado de emergencia. Es para enfermedades o lesiones que no son de emergencia, pero son graves y necesitan cuidado médico. Estas pueden incluir fiebre, síntomas de gripe, cortes menores o quemaduras menores. **Si usted necesita cuidado de urgencia, llame al consultorio de su proveedor de cuidado primario, incluso después del horario de atención**, y siga sus instrucciones. Esto incluye fines de semana y feriados. Aunque su proveedor de cuidado primario no se encuentre allí, un proveedor responderá su llamada y le indicará qué hacer.

Cuidado de emergencia

Vaya a la **sala de emergencias** si su condición es de amenaza de vida o su proveedor le dice que vaya. Debe ir a la sala de emergencias en caso de dolor de pecho, dificultad para respirar, reacciones alérgicas graves, pérdida del conocimiento, cambios repentinos de la visión, sangrado intenso o si considera que su condición puede poner en peligro la vida de su hijo por nacer.

En caso de emergencia, llame al 911 o al número de teléfono de emergencias local. Dígale al personal de la sala de emergencias que es miembro de la organización regional de NHP, y llame a su proveedor de cuidado primario lo antes posible.

¿Lo sabía? Es muy costoso recibir cuidado en una sala de emergencias. Si su condición es grave, pero no es una emergencia, muchos proveedores lo atenderán en sus consultorios fuera del horario de atención o incluso los fines de semana. Los proveedores que atienden miembros de NHP están de guardia día y de noche, todos los días, para emergencias. En muchas zonas, los hospitales tienen salas o centros de cuidado de urgencia en donde su proveedor lo puede tratar. Estas opciones son menos costosas que ir a una sala de emergencias. Es posible que deba pagar un copago si va a la sala de emergencias cuando no tiene una emergencia verdadera.



Si se encuentra temporalmente fuera del estado, pero sigue siendo residente de Colorado, puede recibir algunos beneficios de Health First Colorado en determinadas circunstancias:

1. Es una emergencia médica.
2. Su salud estaría en peligro si tuviera que volver a Colorado para recibir el cuidado o tratamiento médico.
3. El proveedor de cuidado de la salud que lo trata debe inscribirse en el programa de Health First Colorado.
