AN NHP PROFESSIONAL DEVELOPMENT SERIES

CARE COORDINATION BOOT CAMP

Course Details

Welcome to the Care Coordination Boot Camp, an initiative designed to strengthen the quality, consistency, and completeness of care coordination documentation across all RAE 2 Care Coordination entities. This collaborative effort will help ensure our collective readiness for upcoming reviews, reinforce best practices that support high-quality member care, and prepare providers for future Care Coordination Audits.

This training series is organized into three phases delivered over 7 weeks. It will be led by Kayla Garlow, NHP's Transitions of Care Manager and Sarah Stangebye, NHP's Quality & Compliance Manager. All attendees must participate throughout the 7 week course.
