HOSPITAL TRANSFORMATION PROGRAM

Overview

Join us for a focused overview of **Hospital Transformation Program** (HTP) outcomes from the past year, including hospital achievements, key measures, and lessons learned. Learn how hospitals are collaborating to improve patient outcomes and explore practical, hospital-led strategies addressing Social Determinants of Health, behavioral health hospitalizations, and substance use disorder care (SBIRT, MAT, and opioid treatment). Session participants will leave with,

- Ways to leverage hospital-led HTP efforts
- Opportunities for collaboration and alignment
- Shared strategies to better meet patient needs and ongoing engagement
