## About Our Trainer

### **Michelle Shiffman, M.D., FAAP**

Dr. Michelle Shiffman is a pediatrician at Denver Health with a personal and professional commitment to improving vaccine confidence, access, and outreach for children and adolescents. During residency, she helped develop a vaccine curriculum for pediatric residents that continues to be implemented today. She has also partnered with Immunize Colorado on vaccine outreach efforts for clinics across the state and, during the COVID-19 pandemic, participated in virtual education for families about pediatric COVID-19 vaccines.

JOIN OUR FIRST FRIDAYS

# IMMUNIZATIONS FOR ADOLESCENTS

## Overview

Join us for a targeted training session on **Immunizations for Adolescents**. In this session we will,

- Explore **best practices and recommendations** when it comes to immunizations for adolescents
- Discuss **navigating challenging conversations** with parents/ guardians, youth and community members around vaccinees
- Share **up to date and medically accurate resources** to use in your practice and with members

The session will be interactive and include a **Q&A**; bring all your questions!
