

Meeting Agenda: Larimer Member Experience Advisory Council

Thursday, July 2, 2026 11:30am-1pm / Virtual Meeting on Zoom

About the Larimer Member Experience Advisory Council:

A council for people in Larimer county who use Medicaid, to share our experiences of accessing care covered by Medicaid. We help shape the system that serves us to improve access for everyone. Our council has operated for over 8 years under the leadership of Colorado Cross Disability Coalition, led by a Medicaid member themselves. Our council works on system change by advising the regional organization on how to better serve and outreach Medicaid members in Larimer county, bringing various community leaders in to listen and talk with us.

Areas we have worked on:

- Ensuring people with chronic pain have appropriate access to care, including by working with the state on physical therapy approvals for maintenance care
- Access in Larimer county to behavioral healthcare for people with Intellectual/Developmental Disability, by working with our regional organization, Larimer County, and the new Longview facility

Why join the council?

If you are a Medicaid member in Larimer county, and you are passionate about making sure people with Medicaid (Health First Colorado) in our communities can access the care they need when they need it, please join us! Email facilitator [Alison Sbrana](#) to be added to the list. We meet every other month on the odd months, the first Thursday from 11:30am-1pm on Zoom.
