About Our Trainer

**Myra
Muramoto,
MD, MPH,
FAAFP**

Dr. Muramoto serves as Chair and Woodward-Chisholm Professor of Family Medicine at the University of Colorado, a role she assumed in 2021. A Tucson native, she earned her medical and public health degrees from the University of Arizona and has dedicated her career to family medicine, with additional expertise in addiction, integrative, and obesity medicine. Her research focuses on tobacco cessation and health equity, particularly among underserved populations in the U.S. and internationally. Outside of work, she enjoys hiking, camping, gardening, cooking, reading, and fiber arts.
