

Colorado WIC Online Referral Form

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) provides nutrition education, breastfeeding support, healthy food, health referrals and other services free of charge to Colorado families who [qualify](#). WIC's goal is to help keep pregnant and breastfeeding women and children under age 5 healthy, and improve long-term health outcomes and food security for families.

Referring to WIC just got easier! The Colorado WIC Referral Form, www.coloradowicsignup.com, is a short, online form health care providers and community programs can complete on behalf of a patient/client. The form, available at www.coloradowic.com, can also be submitted by families/individuals. We'll take it from there! WIC staff will contact referrals to verify eligibility and schedule.

Help us spread the word! Please share via social media, newsletters, websites, etc.
